Keeping Pupils Digitally Safe with Securus monitoring

Ofsted Inspection Checklist

Having the right monitoring tools in place to fulfil duty of care is vital for schools and Multi Academy Trusts. Securus offers protection on ALL devices and applications, ensuring the welfare and well-being of pupils and safeguarding against concerns such as bullying, racism, sexual exploitation, radicalisation, hacking, mental health & well-being, hate speech, suicide and self harm, substance abuse and gang culture to name a few.
